Norway Road Show 2011 private meeting invitation

Mobile Solutions, Portals, Expert Systems, Software Consulting and Development

www.ropardo.ro
www.nearshore-romania.com

Between 12 and 16 September 2011 Ropardo S.R.L is in organized roadshow in Norway where we are looking to meet IT companies - **Software house (ISV), Application providers, System integrators** that are interested to **outsource development and consulting / service maintenance (ITIL)**.

General Manager
Ciprian Candea

R 541 58 66
J32/ 403/ 1994

We are also looking for new opportunities to distribute our own solutions (please visit ropardo.ro) on Norway market.

Ropardo is actively promoting software engineering services using different technologies – **Microsoft** (.NET, SharePoint), **Java** (web/client/application servers) and **Mobile Apps**. (iOS –iPhone/iPad, Android and Windows Phone) all using on our **Quality assurance services**.

We are a strong and dynamic enterprise with emphasis on the development of IT solutions with the newest technologies for complex business procedures.

At **Ropardo** you will find complete software solutions, from research & development, to architecture & design, product development, and customer support.

Within our services your costs decrease, avoid problems like language barriers or cultural differences and offer a higher quality for your projects!

To facilitate our scheduling, please let us know when is suitable to meet you.

Bergen	12 - 13.09.2011
Oslo	14 - 15.09.2011
Ålesund	15 - 16.09.2011

We look forward to meet you!

Drd. Dipl. Ing. Ciprian Candea

ISV/Software Solutions
