Wittmann & Partner Computer Systems will participate at the Exposit General Fair

Between 11 and 15 of September there will take place an event organized by the Exposit society and The Commerce, Industry and Agriculture Chamber Sibiu. This is an opportunity to promote products and services for the local customers: software solutions - management, sales department administration, Internet portal; hardware solutions - computers, components, peripheral components, networks, video control; services - Internet/Intranet applications, development of web sites, web hosting, web design, technical support, maintenance, training, consultancy.

About Wittmann & Partner

Our company was set up from a joint venture between AIRG Sibiu and Wittmann EDV-Systeme GmbH on 1st *September 2000* and the name changed in "Wittmann & Partner Computer Systems" (WPCS). With this alliance Wittmann & Partner gained two major advantages. First is the new know-how that we received from German side and second is that we are able to increase the quality of services to the western standards.

Wittmann & Partner is a provider of global software development, implementation and maintenance, outsourcing for clients all over the world. Our focus is on developing and implementing Internet, Intranets and client-server applications for Windows and Linux/Unix platforms. The actual staff is able to provide expertise in a large range of technologies and programming languages. Companies from Germany, UK, Italy, France and Romania have chosen us as their trusted partner for software development.

The headquarter is located in Sibiu, Transylvania, in the center of Romania.
